

Order / Quote Form

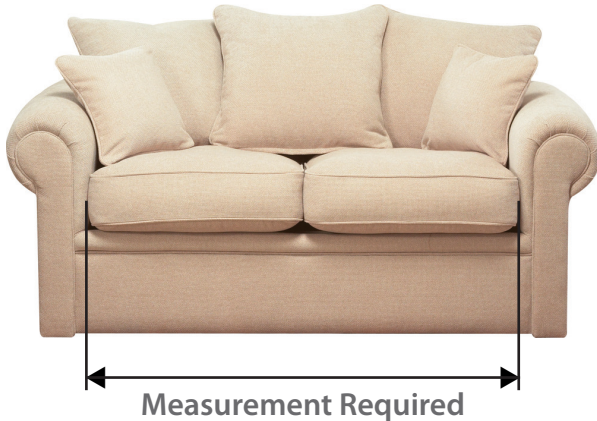

How to order your new interiors, call us if you need any help!

Step One

Remove your cushion covers. If zips are not fitted the covers will most likely have been hand sewn on one of the back seams. This is where you should open them. DO NOT cut any machine stitching or remove any buttons without first asking our advice.

Step Two

If two or more cushions are for a sofa, please supply the measurement of the space they need to fill (see below).

The measurement is:
