

Who we are

Foam For Comfort is a family business established in 1973. For over 40 years we have manufactured quality products, from taking delivery of raw materials our skilled team individually make every order by hand which is carefully checked and delivered directly to your door.

My wife Maureen and I with support from the Foam For Comfort team, pride ourselves on offering a friendly and efficient service. Manufacturing quality products that have been tried and tested offering superb value for money.

What our customers have to say...

Keith Petit, Alvaston, Derby

I feel that I must write to congratulate you on the quality of your foam product, the speed of completion of my order and the value for money of your service is something to be celebrated.

Avril & Malcolm Brooks

So many companies nowadays make the customer feel that they are doing the company a service by using them. At Foam for Comfort it is very much the other way round and that makes a refreshing change.

Revd George Southey

I would like to thank you for an excellent service. We bought a foam mattress from you and you delivered it on time, in perfect condition for the right price, what more do we need to say!
