

Ordering Your New Interiors

1. Remove your cushion covers. If zips are not fitted the covers will most likely have been hand sewn on one of the back seams. This is where you should open them. **DO NOT** cut any machine stitching or remove any buttons without first asking our advice.

2. If two or more of your cushions are for a sofa, please supply the measurement of **THE SPACE** they need to fill.

The *SPACE* my cushions need to fill is Number of Covers

3. Please supply the following information:

Your Contact Telephone number(s):

E-mail Address:

4. Pack your covers in the mail bags provided, don't forget to include this form and post them to Foam For Comfort - **We recommend you use a 24 hour delivery service to guarantee we can give you a quick response.**

5. **WE WILL THEN:**

Send you a quotation by return, offering a choice of various foams and traditional latex. The quote will include the cost of stockinette undercovers, labour and insurance.

Please indicate how you would like your quote.
