

## Inneractive Back Cushion Foam

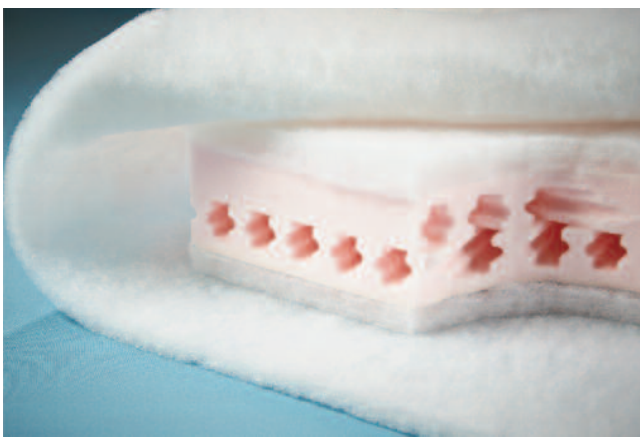

Our NEW Inneractive Back Cushion Foam has been specially developed to create the perfect, long lasting and comfortable back cushion.

The specially contoured 'Inneractive Foam' has been developed for high quality and comfortable back cushions.

The unique interior allows the cushion to mould to your body and return to its original shape without the need for plumping.

The final interior prior to being enhanced by the addition of a Polyester Fibre Wrap.

Polyester Fibre Wraps are fitted as standard to all our back cushions to enhance the final look.
