

Superior Foam

Superior Foam is our premier grade, contract quality offering excellent durability and our widest range of comfort options.

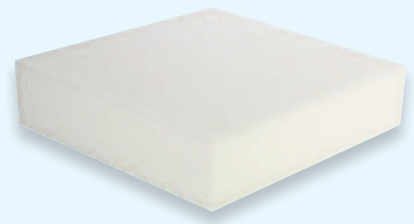

Superior Soft

Ideal for the replacement of feather and fibre filled seat cushions.

Superior Medium

A popular choice for comfortable Sofa and Chair cushions.

Superior Firm

Comfortable but supportive, perfect for a higher seating position.

Superior Extra Firm

Designed for Dining Chairs, Benches, Window seats etc. and customers requiring very firm Sofa and Chair cushions.

Superior Combination

Any of the above laminated in layers for that specialist use i.e. Caravan and Boat bunks that require dual use. Combine softer outer layers for comfort when sleeping with an extra firm core that gives support when sitting.

Enhance the look of your seat cushions with Polyester Fibre Wraps

Polyester fibre being fitted to the top and bottom surface of a foam seat cushion.

Fitting Fibre Wraps achieves that plump cushion look.
