

High quality upholstery, individually **hand made** to ANY shape and ANY size for the Garden, Home and for Leisure use.

For your Garden

GAZEBOS, SEATING AREAS ETC

We often find that even expensive garden furniture can come with poor quality cushions that are often ill-fitting and uncomfortable. Our range of garden furniture cushions, beautifully tailored, changes all this.

For your Home

WINDOW SEATS, CHAIRS & CUSHIONS

From window seats to sofas and chairs, choose your perfect fabric with your ideal interior to create the furniture you have always wanted to own. All of our complete cushions are hand made in only the highest quality upholstery to any shape or size.

For Leisure

BOATS, CAMPERVANS & MOTORHOMES

We have created complete cushions for all types of leisure vehicles for many years and we know how to tackle the most awkward of projects. Unlike many other companies we will work with you to create your perfect mobile interior.

Individual information sheets are available for each of our **fabric ranges**.
