

Traditional Latex Mattress

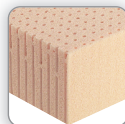

A long term investment in durability and sumptuous comfort.

Supplied by Dunlopillo since the 1960s, Traditional Talalay Latex offers levels of comfort that other mattress interiors can only try and replicate. With comfort options of Soft, Medium, Firm or Combination and finished in our exclusively designed luxury organic cotton fabric. Traditional Talalay latex is no longer supplied by Dunlopillo and is therefore only available from specialist suppliers with product knowledge and years of experience.

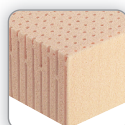

With no limitations in size, we can manufacture a mattress designed to fit where you need it.
