

Range Introduction

Foam for Comfort offer four mattress overlay ranges, each finished in our exclusive organic cotton cover.

All of our overlays are available in any size or shape.

We have however listed below some of our most popular sizes to give you a guide on price.

Serene Reflex Mattress Overlay

Soft comfort, suitable for regular nightly use and offering great value for money. Popular for spare beds, sofa beds, children's beds, bunk beds, holiday homes, caravan and boat beds. Available in any size or shape and finished in our exclusive organic cotton cover. All overlays are 21/4" (6cm) thick.

Luxury Reflex Mattress Overlay

Long lasting durability and comfort, this mattress overlay is designed to give years of superb comfort in the home environment. Available in any size or shape and finished in our exclusive cotton cover. All overlays are 21/4" (6cm) thick.

Luxury Memory Mattress Overlay

Our Luxury Memory Overlay is designed to take full advantage of the pressure relieving advantages of Memory foam. Available in any size or shape and finished in our cotton cover. Vasco heat sensitive memory foam offers excellent pressure relief by helping to evenly distribute your weight using a combination of body heat and weight to mould the Vasco Memory foam interior. All overlays are 21/4" (6cm) thick.

Traditional Latex Mattress Overlay

As manufactured by Dunlopillo since the 1960s, Traditional Talalay Latex offers levels of comfort that other overlay interiors can only try to replicate. Available in any size or shape and finished in our exclusive cotton cover. All overlays are 21/4" (6cm) thick.

What sets Foam for Comfort apart

Only with Foam for Comfort can you be sure of these quality extras.

Polyester Fibre Wraps

Polyester fibre wraps enhance the finished appearance of your cushions, lofting the cushion centre and softening angular lines, providing that plump “overstuffed” appearance. We highly recommend Polyester Fibre Wraps when replacing loose feather or fibre filled cushion interiors. Polyester Fibre Wraps are also useful in helping to prevent the saddling of leather covers.

How the Service Works

To get started simply request our mailing pack this contains all you need to safely send your covers, all you need to do is remove the covers, seal them in the protective bag supplied and mail them to us. Please note, we recommend that you **DON'T wash** your covers before sending them to us. Once we've received your covers, we will contact you to give you a price and also provide you with foam comfort options etc.

You then just need to say yes! and we will do the rest. 7 days later we will despatch your perfectly re-filled cushions ready for you to just pop on your sofa or chairs.
